HALLOWEEN TRICK OR TREAT HOURS

SATURDAY, OCTOBER 31ST
3PM-8PM

If you would like to hand out candy, please ***lift your mailbox flag and tie a ribbon to it.*** *This will signal kids to come to your door. If you're comfortable, you can also wait at the end of your driveway for trick-or-treaters. All neighbhorhoods within the boundaries marked below have set these hours and agreed to use their mailboxes as signals. Feel free to trick or treat any time on Halloween within these hours.*
